Follow-up Questions from Sunday's Message:

Getting to Know You: What is your favorite part of the Thanksgiving meal?

Quick Review: Looking back on last Sunday's message and your notes, what was the most meaningful part for you?

Digging Deeper:

1. What are some things you think all people living in America should be thankful for? Would you say Americans are thankful people? Why or why not?
2. How do you think consumerism affects thankfulness in our society today? How does it affect you?
3. On a scale of one to ten with ten being highest, how would you rate yourself as a thankful person? What are you most thankful for? What are some things in your life that you feel you need to be more thankful for? Please share.
4. Read Philippians 4:6. Why do you think it's important to God that we have a spirit of thankfulness when we come to Him with prayer requests?
5. Read Luke 1:46-55. Often called "*The Magnificat,*" this is Mary's song of praise to God for all He has done and will do for her and for His people. If you were to write your own Magnificat what would you say? What topics would you include?

Taking it Home: Spend some time reflecting on your life and all of God's blessings that He has poured upon you and be grateful. A grateful heart is a heart open to love and to God.

Prayer request: Thank God this week for the good things He has done and is doing in your life.

Thanksgiving Proclamation

October 3, 1863

ABRAHAM LINCOLN (1809-1865)

16th President of the United States

The year that is drawing towards its close, has been filled with the blessings of fruitful fields and healthful skies. To these bounties, which are so constantly enjoyed that we are prone to forget the source from which they come, others have been added, which are of so extraordinary a nature, that they cannot fail to penetrate and soften even the heart which is habitually insensible to the ever watchful providence of Almighty God...

No human counsel hath devised nor hath any mortal hand worked out these great things. They are the gracious gifts of the Most High God, who, while dealing with us in anger for our sins, hath nevertheless remembered mercy. It has seemed to me fit and proper that they should be solemnly, reverently and gratefully acknowledged as with one heart and one voice by the whole American People. I do therefore invite my fellow citizens in every part of the United States, and also those who are at sea and those who are sojourning in foreign lands, to set apart and observe the last Thursday of November next, as a day of Thanksgiving and Praise to our beneficent Father who dwelleth in the Heavens.
