

NOTICE OF ELECTION OF LEADERS 07/26/2026

The Nominating Team presents the following nominees to the members of Woodbridge Community Church for a vote to the Office of Deacons:

Steve Claflin

I began following Jesus when I began attending WCC - in the spring of '84. I've worked in various ministries over the years; starting with the children's ministries and following my two daughters through the different stages including Sunday School and Awana. When the worship team began, I became involved with it and have been in and out of it over the years as my work and family life allowed. WCC's Small Groups have been an important part of my life. I've sometimes been the leader of a group and sometimes an (over-talkative) attendee. In the 42 years I've been at WCC, I've never served on the Leadership Team; this would be a first for me. In my "outside WCC" life, I work in the insurance world as an employee benefits advisor.

Gary Crouch

Gary Crouch is a committed follower of Jesus Christ whose life reflects steady, faithful service to his family, church, and community. He and his wife, Sandra, have been married for 41 years. Together they have raised their son, Garrison, and welcomed a lovely daughter-in-law and baby granddaughter into their family. Since 1993, Gary and Sandra have been active participants at Woodbridge Community Church, where they served as AWANA leaders and taught Sunday school for 2-year-olds for many years. Gary has served the church in a variety of roles over the years. In the 1990s, he was part of the leadership team, where he led the efforts to refinance the church building. More recently, he has continued to serve on the welcome team as a head usher, and on the security team. Professionally, Gary worked for 50 years as a CPA in public accounting, working largely with nonprofits and community-focused organizations. He has endeavored to carry out his work, his family responsibilities, and his church service with integrity and a desire to honor the Lord.

Rommell Hingco

I have been attending WCC now for about 4 years with my wife, Maricar and two boys, Isaac and Ben. I gave my life to our Lord and Savior Jesus Christ back in 1989 and have served in the church ever since. Over the years, I have served in children's Sunday School, youth, college, men's ministries as well as a deaconship position at my previous church. I also had the privilege of leading mission trips to Mexico and the Philippines with various organizations. Here at WCC, I volunteer with church outreach, the youth ministry and help with maintenance around the church. I thank and praise God for the amazing ways he has shown up for me in my faith journey and so I serve Him in any way I can. I am grateful and honored to be nominated to the WCC leadership team.

PASTOR'S CORNER

"In him was life, and that life was the light of all mankind. The light shines in the darkness, and the darkness has not overcome it." - John 1:4-5

Greetings in the name of our Lord Jesus and good morning!

Today we will dive deep into the story in John's Gospel of Jesus healing a man born blind, and how this serves as a powerful demonstration that Jesus is the "Light of the World".

May we all come to know Jesus as the only source of true enlightenment and direction in the darkness of this world.

Key verses: John 9:1-7, 25

Follow-up Questions from Sunday:

Getting to Know You: When was the last time you had pain in your body? What was it and why do you think it happened?

Quick Review: Looking back at your notes from this week's teaching, was there anything you heard for the first time or that caught your attention, challenged, or confused you?

Digging Deeper:

1. In John 9:1-2, Jesus' disciples saw a blind man and basically asked Jesus why. How have you come to understand human suffering?
2. What do Genesis 3 and Romans 5:12 have to say on this topic?
3. Do you think we have any control over our own seasons of suffering?
4. What do you think Jesus means in verses 4 and 5?
5. How do you view each day you get to live and how do you think Jesus would tell you to view each day?
6. When you read John 9:8-14, what most jumps out to you? How would you describe what is happening?
7. How would you describe what is happening in verses 13-18? Why do you think the religious leaders are having such a hard time with this?
8. When you read verses 18-23, why do you think his parents acted like that? How do you think this made him feel?
9. How would you describe the attitude of the religious leaders and formerly blind man in verses 24-34?
10. How would you describe what happened in verses 35-38 and how would you summarize this man's overall testimony?
11. How does his testimony compare with yours?

Taking it Home: Take the time to write out your personal testimony:

- How has God, Jesus, the Holy Spirit, Salvation, Grace/Works, Sin, Satan, etc. impacted your life? Use Scripture references. What Biblical truths did God use to draw you to Himself?
- Your personal story. Where have you been? How did the Lord call you to Himself? How is your identity continuing to be shaped in the image of the Lord? What is your present level of intimacy with Him?
- Draw a Personal Spiritual Timeline of people and circumstances that God used to bring you to Himself.
